

Thank You!

Hello Cornerstone Baptist Church! On behalf of Lighthouse Baptist Church, (Iglesia Bautista El Faro) in San Lorenzo, Bolivia I just wanted to share with you that we are delighted to have you as partners in ministry. Thank you so much for your generous donation to help us out with our building project. We were planning to have our inauguration on our actual anniversary of Nov 7, but there was unrest in the country so we had to postpone. We finally celebrated December 2-4, it was a wonderful time of worship and fellowship. It is a blessing to see what God has done in this little community and we look forward to what He is going to do. Thank you for being a part of it, in a big way. For His Glory
