

Lightening storm over Fort Collins, Colorado.

a BEEBEE FAMILY & MINISTRY UPDATE // JULY 2018

Because we work with staff in closed & secure locations, please **DO NOT FORWARD OR SHARE** this information. Thank you :)

Nicole, serving in London.

London | England

This is Nicole Lewis. Nich and I have seen her at many overseas conferences but just from a distance as she emcee'd. She has a fun, outgoing spirit that draws you to her - so when we were in Spain this past January, we were excited to hear that she is now under our care to coach.

She served in Florence, Italy, starting in 2002 for TEN years and has currently been living in London on the executive team overseeing the campus ministry. I, Tricia, had a blast talking with her last week via FaceTime seeing her beautiful apartment and hearing about her life's joys and struggles. One overwhelming prayer for Nicole is to unwind this summer while other staff on her team are traveling. ***Please pray for Nicole's summer to be restful and for her to schedule a much needed sabbatical in the near future.***

Fort Collins | Colorado

For the past month we have moved into an apartment in Fort Collins, to attend XTrack - the training all Cru Staff attend before serving overseas long-term. We have eaten elk, experienced many thunderstorms and have slowly gotten to know all 78 attendees, plus coaches, here. The adults have about 4 hours of teaching each day as well as coaching groups that meet in the afternoons.

Learning to cross cultures.

Rohan & Nich tossing water balloons.

What is extra special is all of the children who are going (or have lived) overseas, including our own, also get to be a part of the MK2MK program. This program is full of other missionary "kids" (MKs) who are now in college that teach our kids. They share about moving to a new place, gaining a heart for the world and learning to grieve & say goodbyes. All 3 of our kids LOVE their teachers and what's more we live in the same apartment complex as them all! It's touching to see Naomi, Tosh and Rohan rub shoulders with those who have or will have similar experiences as they did in East Asia.

Tokyo | Japan Reclaim | Central Asia Paris | France

We still have 1 1/2 weeks left of XTrack. Would love prayers for the people attending to slowly be prepared in mind, body & soul to go to their location. We are so excited to coach 8 that are here.... **you can pray for them by name!** Going to Japan: Rachel, Jane, Jessica, Trevor & Adriana; to Central Asia: Matthew & Beth; and to Paris (remotely serving North Africa & the Middle East: Bri!
