

a BEEBEE FAMILY & MINISTRY UPDATE / SEPTEMBER 2017 / SERVING with CRU 

Cru17 Carnival in Fort Collins, CO

**#RoadTrip to/from Cru17**

Over 4,000 miles traveled, 10 different hotels/homes, 7 states, 1 borrowed van, 3 resilient kiddos, and 2 exhausted but thankful parents - this was our summer road trip to Cru17, our biennial staff conference in Fort Collins, CO. Some of our highlights were spending time with my (Nich's) cousins, aunt and uncle, as well as Naomi & Tosh meeting Tricia's niece, nephew and sister-in-law for the first time. In addition, it was refreshing to gather, learn and worship alongside 5,000+ other Cru staff.

**We thank God for his provision and safety!**

**Laguna Niguel, CA 92677**

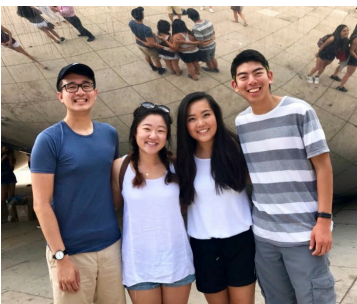

As we settle into our new home in SoCal we find ourselves in a weird state of still mourning our home in East Asia, yet celebrating what God is providing for us now. Naomi is happy making new friends at her Mandarin immersion kindergarten, while Tosh loves there is an outdoor pool to swim at everyday. Tricia and I (Nich) are continuing to trust God for community and the right fit of role within Cru.

Elliott, Liz, Megan & Ryo in Chicago

**WX East Asia Stint Team 2017/2018**

This is almost a brand new team this year, aside from Elliott who has returned for a second round. Joining him is Liz from UC Santa Barbara, Megan from Texas A&M, and Ryo from Cal Poly San Luis Obispo. They barely settled into their homes in WX, when they had to join the rest of their region in East Asia for a regional conference in Jeju, South Korea. **Pray for Elliott as his new teammates rely on his expertise and adventurous spirit, while together they trust God in continuing reaching this campus and city for Christ.**

Celebrating Nich's 39th year!

Much love in Christ,

NICH & Tricia
