

reaching the world for christ

this is Ireland

a BEEBEE FAMILY & MINISTRY UPDATE // OCTOBER 2018

Because we work with staff in closed & secure locations, please DO NOT POST, FORWARD OR SHARE this information. Thank you :)

Dublin | Ireland

This is Stephanie. Pray. Wait. Trust. This has been her *modus operandi* over the past 6 months. When we first met her in Spain during their Midyear Conference last year, there were rumors of visa changes possibly taking place in Ireland. When we saw her again for a coaching visit in Chicago this past August, the rumors turned out to be true and it seemed likely that her (as well as the short-term Stint Team's) time in Ireland would quickly be coming to an end.

As of September 13, Stephanie made the decision to move to England in November, and the Stint Team will be in transition, back in Florida, until they move to Belfast, Northern Ireland to complete their year-long missionary internship with Cru.

Stephanie, serving in Ireland.

Please pray for Stephanie as she begins packing up her life in Dublin and saying goodbye. Pray that she will continue to pray, wait and trust in God and his goodness during this uncertain chapter.

Tosh taking a water break.

Ro swingin' into life like...

Naomi all smiles :)]

Naomi's first week of 1st grade.

Ro cheesin' over his new haircut.

Orange County | California

At this point we are in week 3 of 1st grade, kindergarten, and a 2-year old still at home. Naomi and Tosh are now both embracing learning Mandarin at the public immersion school up the street from us, and seem to be enjoying it. The Lord brought us a wonderful blessing through an acquaintance, now our friend Kim, who has graciously offered to take care of Ro one day a week while we meet with our other teammates. He gets to play with JJ, who is also 2, and Zeke the dog, while also getting time for snacks, lunch and a nap. We pretty much think she is an angel!

A day of firsts!

Would love prayers as Nich heads to the Middle East at the end of the month to coach the STINT team there and meet a bunch of our international staff under our care! Pray for safe travels, the time with the team, and for Tricia as she flies solo with the kiddos!

Thank you for continuing on this (exciting, sometimes exhausting, but completely worth it) journey with us!

Much love in Christ, *NICH & Tricia*
