NICH & TRICIA BEEBEE

Coaching & Resourcing Cru Staff & Families serving Internationally

the Middle East // pc: M.T. Khan

Changed lives — seeing, hearing and experiencing students and teachers, families and leaders respond to the life, love and words of Jesus, has been the fuel which motivates us to pursue this calling for God's glory. Tricia and I (Nich) so enjoy the connection we have with our staff over seas, as it puts us in proximity to amazing stories of lives transformed.

Two such staff are Dylan and Annie. We met Dylan and Annie just before they moved to the Middle East as new staff now over three years ago. Not long after, I was able to visit the two of them and meet with their team on location. Dylan and Annie now lead their team as they engage with students on campus and online, navigating what it looks like to pursue this same calling in the midst of a global pandemic.

the Middle East // pc: M.T. Khan

Here is a recent story from Dylan & Annie's teammate Melanie, also serving in the Middle East:

"I shared with Tanya about how Jesus wants to bring restoration to our relationship with God and others. She was really intrigued and asked where she should start reading the Bible. Just a few days later, we talked again and she had read the entire book of John. We talked some more before she made the decision to follow Christ!"

Now, just a week later, we have gone through four follow-up lessons to talk about the basics of following Jesus. Tanya is really understanding and she asks the best questions. Pray that she continues to connect with me, and that after we've built up some trust, we'll be able to meet in person! We're hoping that we can connect some of our students together who come from the majority religion and have made the choice to follow Christ so they can be in community together. Please pray with us!"

Nich with Dylan, Annie & teammates, serving in the Middle East

Please pray for the continued effects of COVID-19 on people, families, and communities around the world. **Pray also** for our teams as they continue to interact with and minister to students digitally.

Thank you for your continued support and prayers towards life-change like Tanya's!

Praising God for you always, *NICH & Tricia*
