Eight Haitian churches receive financial support from the Magayaue goat farm

This month eight partnering Haitian congregations received between 10-25 goats from the Magayaue goat farm to help support the leaders in sharing the Gospel with those in their communities and church. "Praise God for the partners of Thousand Hills ministry for the support of God's work in Haiti. People come to faith by hearing the Word of God, and goats provide some of the financial support to make that happen," said Pastor Wiljean.

Praising God for all he has done through these church plants sharing the Gospel in their regions.

Ministry Multiplication

Thirty-three baby goats were birthed on the Magayaue goat farm this past month...WOW! The shepherds are working very hard to care for this herd which is supporting the spread of the gospel and sustaining families. Your generous support is very much appreciated and changing lives for eternity.

We are scouting locations in the Northern area of Haiti to plant our third goat farm. There are 14 Haitian churches in the network and the number is growing - they all have leaders and ministry opportunities that need support and encouragement to fight the good fight.

Put on Christ

Oh, happy day... What delight to celebrate in the baptism of our youngest babe, Joshua! Together with his best buddy, Caleb and a cloud of witnesses, Joshua entered into the watery grave and raised up from the dead by the glory of the Father.

It was a beautiful morning with family and friends; friends from our neighborhood, from Joshua's school, so many who are dear to us. Here are a few pics

so that you can also enjoy this special anointed moment, too. We think of YOU our supporters we know you pray for our family, our children and this ministry. Thank you for buoying our family, for praying for us, for being our cheerleader, our smile-giver, encourager, our friend. We pray also for you, thanking God for you, may you be richly blessed in Christ Jesus our savior.

with affection,
