

# MERRY CHRISTMAS

Dearest Family  
& Friends

God has overwhelmed our family this year with so many blessings upon blessings and we shall praise His name at all times.

Blessings took many forms this year. Two of our children were married and our family has grown.. It is wonderful to see who God has planned before time began to unite as families. We love what God has brought into our lives.

This Christmas, our entire family traveled to Az to spend it with our extend family. What a blessing that was...

Blessings also took the form of physical pain and suffering. Those blessings are much harder to embrace, however, still produces; endurance, character and hope.

Merry Christmas and a Joyful New Year in all that God has planned for each and everyone of us.

Thank you for your prayers and partnership through the years. May God's face shine upon all his children.

# Next generation of leadership (Lacienne)

*Investing in things that last, God's word and his children*

## Graduates from the seminary producing fruit

Wislin Lucius was born in Lacienne into a Vodouist family. Both his mother and father were farmers and worked hard to provide an education for their children. At first Wislin had a lot of difficulties in his Christian faith because of his family, they did not want him to change his position to become a Christian, suddenly he often got sick. One night while he was sleeping he heard a voice that said come Wislin I have chosen you to speak in my name and you will be protected from all dangers

It was there where he received the call from God to become a pastor.

Wislin became the example of a good Christian thanks to his behavior he ended up convincing many people in his family and in the area to follow and accept Jesus as savior, after so many years of perseverance Pastor Wiljean had noticed that this boy had the assistance of God and a particular vocation and he advised him to come and take theological training at the seminary. After these 4 years of training Wislin graduated and returned home as head pastor of the Lacienne Open Door Church of God. Many members of the church say that Pastor Wislin is very special and has a great spiritual gift. As soon as his ministry begins, the blessings begin, he calls for healing and orders demon to leave.

Pastor Wislin made this promise to believers of the church that a pastor must love his people. He must live among them, take care of them, serve them, encourage them, support them and give himself for them. It is particularly important for a pastor to love his congregation generously and tenderly from the beginning of his ministry so that they learn to trust him. Apart from this trust gained through love, modeled after Jesus ministry, they will not be likely to follow his leadership.

He doesn't expect everything to change overnight. He plans to install it and work towards long-term growth in maturity. Patiently teach and discipline the people. Committed to serving them for the long haul and pray that the Lord will bear fruit in Jesus time.
