Ministry

Oct 2022

Organized and foreign-financed gangs continue to cause chaos in the cities all across the country of Haïti. Streets remain blocked with vehicles and trash to prevent commerce and daily living.

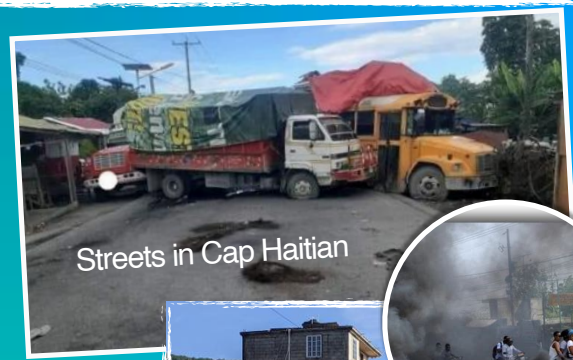

Haïti is shuttered in place. Schools are closed, banks and commerce only open on Sundays. Life is extremely difficult.

The household of faith in Haiti is suffering right NOW!

Can you help ?

We will be sending financial resources to Wiljean in Bois de Lance to buy what food and gas can be scrounged up and distributed out to the 35 churches .

*Gal 6:10 So then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith.*

The CHURCH does not stop...

## "Ministries of the church **MUST** continue in this crisis" Pastor Wiljean

Pastor Wiljean is encouraging all churches to continue to meet and continue to serve through the crisis. The gates of hell will not prevail in stopping the church.

we must bring together and **encourage** the church leaders to continue to fight the good fight", says Pastor Wiljean. Feeding the hungry and encourage the leaders are the priority now.

The seminary is still holding class with makeshift teacher schedules and students being resourceful on traveling.

God willing, the annual Pastor's and wives leadership conference for all 35 churches WILL continue in December as planned. "Now more than ever,

Freshman class in Seminary
