

# MERRY CHRISTMAS

Merry Christmas, dear friends and Family!

This year has been bright and also has had some challenges, especially in ministry travels, or lack there of... Zoom just doesn't work longterm. God is faithful and generous to us. We thank God for you! Your encouragement builds us up.

Zac (24) continues to devote his time growing his media and photography career alongside serving in church on the tech and worship teams.

Bree (22) is starting an internship with a Jacksonville rehabilitation institute, she will also graduate

from UNF in May 2022 with her BS in Health Care Admin.

Josh (19) continues to work for BuyBuild wowing us with his trim carpentry work and creative remodel drawings. He is a natural craftsman and he enjoys working alongside his dad.

In October, Brian & Kathy celebrated 33 years of marriage, continuing to support each other both in THM ministry and in BuyBuild.

The last two years we have all seen change, or better yet, God shaping us for the next chapter in His story. For His glory, and our good!

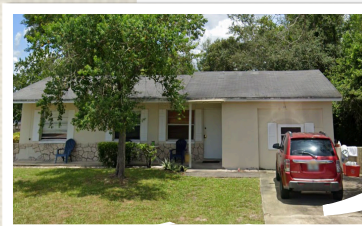

## OUR THIRD HOUSE SOLD TO SUPPORT MINISTRY

Today, we walk by faith that God will bring additional houses to us that we can transform for a new homeowner, profit from the process, helping to *partly* support THM. God willing, one day we will 100% support THM with real estate investing, we are not there, YET. As you might remember, BuyBuild is the company we launched to purchase and refurbish homes.

BuyBuild has access to capital in which to buy and renovate one house. Those funds are repaid after each closing. If you would like to learn more about leveraging assets to further ministry, let's talk. Our goal is to have access to capital for up to three house at one time. Timing of real estate is just as important as location. When a good deal presents itself one must act VERY quickly.

To help kickstart this campaign a ministry partner gave us a **\$100k gift** to be used to invest and produce more ministry support. "Here is ten~ talents, now go and make 10 more."

We have been encouraging and equipping the Haitian church for years to proclaim Christ AND support ministry, now we are practicing what we encourage.

Thank you for making Thousand Hills Ministry a part of your worship onto God. We are humbled by your sacrifice and honored by your prayerful commitment.

We can't do this ministry work without YOU, and we don't want to!

All gifts are tax-deductible and should be made payable to:

# Steps in sustainable ministry *proclaiming the ALL sufficiency of Christ*

In Haiti and Florida

From our dear friends and ministry partners in Laciennne, Haiti...

*Pastor Ediless and his wife Nadague are continuing to serve the church and care for a growing family, six children and one on the way. Ediless is the lead teaching Pastor and Nadague makes all the trains run on time. What a dynamic couple God has equipped, for his glory!*

*Several years ago YOU, our THM partners provided them with financial resources to buy more peanuts for their garden AND a commercial peanut grinder. God has blessed Nadague with increase. Her peanut (Momba) grinding business has exploded and in addition to grinding peanuts she grinds bags of corn, legumes and more to sell "grinds" to her customers. They have purchased a building which is in need of repair to transform it into a storage depot and grinding mill.*

*This Christmas, YOU are making another investment into this God-honoring family to support their ministry. YOU are investing into the workspace, more grinding machines, and even a female cow! A message below from Nadague:*

Hi Mr.Brian, how are you? How are your activities? For me everything is okay, thanks to God my activity doing well. I'm still growing and buying peanut to make butter peanuts, sometimes I plant peanut in my garden but that's not enough!

I'm investing into food products I buy products every Saturday and I resell them every Wednesday and Friday, I open at 8am for 1pm. Unfortunately I haven't enough products to satisfy my clients, I get too much clients, on top of that I get a contract with Wold Vision, i sell them my food products every month to give to the poorest people in the area. it's the way I earn money to take care of my family, I just bought another house in this same

area to widen the project because there are a lot of people who lives here and they need foods everyday !

I would like to have a bigger business to give the opportunity to other young people in the church to make a living as well. God teaches that. I hope you always pray for me. may God helps me to realize my dreams! Thanks to God!
