Fellowship Hall

## Fellowship Hall - Update

The Haitian crews are working hard to complete the fellowship hall for the June 18th graduation celebration. Along with their families and many church and business leaders in attendance, twelve students will receive their formal theology degree, the first graduating class of the Open Door Bible college! To complete the celebration a buffet lunch will be served in the fellowship hall.

THM is sending a team to join the celebration; however Haiti is on Covid lockdown at this time... God willing, we will be there.

The buildings are tools used to train leaders to proclaim the glory of **grace and truth.** John 1:14
