New school year begins

Students attending orientation

With prayer, praise and worship, a new school year has begun. As new students go through orientation and returning students start new classes, men and women of God are increasing in the works and knowledge of Christ.

The overwhelming number of students come from the thirty-eight churches in the network as each church can send forward candidates to the seminary. Once proficiency tests are completed and passed, candidates are enrolled to start school. Students

are equipped to serve in various roles of the church; Pastoral care, teaching, youth, music etc...

The body of Christ is being built-up for the making of disciples.

to equip the saints for the work of ministry, for building up the body of Christ, until we all attain to the unity of the faith and of the knowledge of the Son of God, to mature manhood, to the measure of the stature of the fullness of Christ
Eph: 4:12-13

Morning praise and worship

Pastor Limonce Jean-Baptiste - Plesance church

Pastor Limonce is a graduate of the second graduating class of the seminary and God has him leading a growing body of believers.

Last year the church was planted and together with elders, Pastor Limonce has seen God bring over fifty members and together they have built a worship

center. Leading the pronouncement of grace & truth in the village of Plesance is one of the many students that the partners of THM has encouraged and supported over the years.

Thank you partners for your investment into the body of Christ. For his glory and our good.

Amen and amen.
