INVESTING IN THINGS THAT LAST...

God's Word and His People

Last year has been one of the most challenging years in Haiti Pastor Wiljean can recall. The country was locked down for four months while rioters tried to influence governmental policy. Haiti is no longer locked down however ministry never slowed down. Praise God for strong leadership!

Recently, THM asked one of our partners if they would sponsor a Pastors conference in December, and they happily agreed. Over 200 ministry leaders (including spouses) enjoyed four days of ministry training, encouraging nightly worship, three meals a day and one full day at the beach.

Ministry vision was cast for 2023 with a major emphasis on discipleship making and church planting. The network of churches is growing wider and deeper. Join us in Haiti on a team and taste and see yourself what God is doing for his glory and our good.

Saints joining in His work!

Thank you partners.

MISSION TRIPS 2023

The team of Pastors are
excited to see you and
your team this year.

We are again making plans to bring teams to support and encourage the church in Haiti. Covid and political strife have subsided (praying this continues) and the time is right to resume this aspect of our ministry.

Zac and I travel to Haiti in February to complete some of the projects we have been working on. I so much look forward to reconnecting with my friends and also not have to take part of another seminary board meeting via phone. It's an honor to serve on the board, better in person.

Is God moving you to help strengthen the church in this manner?

If yes, let's talk. Brian's cell: 407-399-8406

Thank you for all your support and prayers. We can't do this without YOU!
