## *Sightings of God at work...*

### *partners make ministry happen*

After the seminary and leadership training center vision was cast a pastor from the states shared it within his congregation. As excitement welled they planned together to provide \$45,000 for a brand new "mac daddy" John Deer tractor! WOW! A tangible encouragement of God at work.

Partnerships all over the states are hearing about God sightings through the church in Haiti and jumping in on His exciting kingdom work. As a result of the tractor gift a member (or two) from the

Haitian church will now have a full-time job plowing not only the seminary fields, but MANY local farmers will hire this tractor for plowing their farms! Exciting!!!

These local farmers will provide a percentage of their crops to the seminary in exchange for having their fields plowed with precession, yielding a greater harvest. Yielding more school support.... Yielding more trained pastors... Yielding more church plants...

### ***Multiplication...***

Thank you for all your support and prayers. We can't do this without YOU!
