Equipping the saints

Learning a skill

Several Pastors in the Central Plateau of Haiti have joined forces and started a vocational training center. They meet in the worship center of the Lacienne church.

Pastor Odimon (upper right hand corner) is the primary lead of the school.

Teaching sewing is one of the most popular classes and he has asked us if we can help with sewing supplies of all kinds.

Can you help us with this need?

Nofilia Jean is a gardener in Lacienne and part of the body of Christ. As a believer yourself, you will one day worship with her in heaven, under the same light of glory rejoicing of Christ holiness.

After a period of time in heaven, whatever that looks like, this gift you helped provide might be discussed. Discussed in the context of doing unto the least of them you did it unto me. Of course those are the words of Jesus your conversation will be centered on. Glory to God!!!

Mens ministry

Leading teams on missions trips and talking about God each night at "Team time" is one of the aspects that brings my heart joy in Christ. That has been absent since covid and unrest in Haiti over the past two years.

God drew me to a men's ministry that meets under a tree just under an hour from my house. That fellowship and pursuit of all things Christ has rekindled that missing "team time". God is stirring in my heart a parallel course with Thousand Hills to lead team time here in Florida. Developing...

A message from the new Dean of the seminary

Dears Friends in Christ

I am very exciting to present my family and share my personnel plan with you, considering as a blessing for the Seminary, specifically for God's people. My name is Nehemie LOUIZOR, getting married with Nadjeda DUMONVIL and we have a boy, his name is Nhéoly LOUIZOR.

I start to work at Open Door Seminary on August 2019 as Dean of the Students affairs and teacher, my passion is to equip people such as they can be effective in the kingdom of God, on June 2023 we needed members at the seminary staff, they choose me as academic V. Dean.

Today, God has me as the Dean of the seminary and I have a plan to support the seminary.

One thing can help us to be pleasant before God is to know him through his Word. Now I want to progress my study to be more effective as Dean.

So I would like to get this opportunity to start my doctorate degree, which can me help to be a part of the transformation. Have a good future and to build a new Haitian community for Christ.

Earning my Doctorate will be a two year commitment on my part, and I am eager to start next month.

My prayer is not only God protect me during this study, is also to avoid take public transportation to go to the University, I really need a motorcycle at less to go to the School.

May God continue to bless you in Christ brothers and sisters!

If you would like to help Nehemie with his schooling expenses and motorcycle, please memo Nehemie in the memo.

Thank you partners - brian

Thank you for all your support and prayers. We can't do this without YOU!
