## BUYING HOUSES ~ BUILDING UP MINISTRY

### House #3 - Dundas

I received a call from a realtor with a property we may be interested in purchasing for a flip. Upon our arrival kathy and I noted right off the home needed a new roof! The back yard was home to a beautiful pool with the liner ripped away from the edge, the 1/2 acre lot filled with hundreds of wasp nests, rotting landscape-timbers and a yard fence that was collapsing, yes on 1/2 acre! There were broken glass in the windows, and with four dogs having done their business in all the wrong places... It needed a lot of work.

We met the homeowner after the tour, and our heart forever marked as she shared her tender story of losing her husband and how she was unable to care for the house they shared for twenty five years. As we

said goodbye and walked down her long driveway together Kathy and I looked at each other and at the same time said, "she's a widow", God calls us to care for orphans and widows...

We made an offer the next day, she accepted and the homeowner was able to rid herself of the burden. Glory be to God, He is so good.

Now let's transform this house to invest into ministry.
