# DOWNTOWN WITH THE BROWNS

## RISING OF THE SON

A few weeks ago we helped students run an event at Bunker Hill Community College (BHCC) called "Rising of the Son," where we presented the gospel to around 75 students. This type of event is unprecedented at BHCC! We had Bunker hill students as emcees, Jena and another student performed worship songs, and Pastor Dan Rogers of Christ the King Dorchester gave a gospel message.

Afterwards we had the opportunity to follow up with students to better explain the gospel message to them and the importance that Easter plays in our faith.

We are amazed that at a place like BHCC God has risen up a true movement of students that desire to know him more, grow together and tell others about who he is. BHCC is often overlooked and famously seen as the place of failure for Robin Williams' character in *Good Will Hunting*. However, God often uses "the least of these" to remind us that ultimately he is the one in control. Thank God for that!

### Wrapping up

We have spent the past few weeks with students debriefing the past year while planning strategically for the upcoming fall. We are excited that our student leaders are so eager to serve one another, to walk humbly with God and to seek to give every student the opportunity to hear the gospel and respond to it. We have been so blessed by our students and are so thankful for each and every one and for the many ways they have touched our lives!

### Summer Plans

This summer we are excited to have the opportunity to participate in a leadership development course, a seminary level track called "Leadership at Altitude." The course will be for 4 weeks in Fort Collins, CO. After the course is completed we will then have our week long national Campus Crusade Staff Conference with 8,000 other staff from around the country. We will be driving out to Colorado and hope to see some of you

on our way there/back. The dates of our time out there will be approximately June 15th-July 31st.

Through "Leadership at Altitude" we are seeking to sharpen our leadership skills and vision for the part we'll play in reaching the next generation of leaders. We will focus on different styles of leadership not only in ministry, but in business and other disciplines. Our hope is to enter the fall school year with a plan based on our own unique gifts and abilities that is strategic in winning students to Christ, building them up in their faith, and sending them out to be His ambassadors in the world. We love our work and our students so much, and we feel truly honored and blessed that God has called us in a time such as this!

Easter Egg Hunt with BHCC guys and Logan

## PRAY FOR THE BROWNS

- Praise the Lord for **Samila**, a student at Roxbury Community College who Jena had the privilege of leading to Christ! Pray that she will grow and develop in her faith and find a great church where her relationship with God will thrive.
- Pray that this summer we will be trained up in leadership ability as we seek to care for those God has entrusted to us.
- Pray that we will be able to raise \$1,200 in new or increased monthly support to help offset support that was lost and our higher support goal.
- Pray for Olivia and Logan to continue to be rooted in their faith in God and put Him first in their lives. Logan was baptized on Easter as he wanted to publicly profess his faith!

*We thank God for your partnership with us in the Gospel.*

*Love,*

*Andrew, Jena, Olivia & Logan Brown*
