

REACH UP REACH OUT

April 1, 2022

Dear Friends,

In 1999, I joined a team of missionaries to help plant a new church in Krakow, Poland. For a month, we reached out to hundreds of Poles using sports, skits, dancing, preaching, eating meals and lots of praying. By God's grace, we were able to establish some young key Polish leaders and the church began to grow. The church is STILL growing and, thankfully, I have stayed in touch with some of the Poles for 25 years and, also, with the senior pastor of the church, Przemysław Sielatycki. This church is one of the churches in Poland offering aid and assistance to the many of the Ukrainian refugees. It is deeply encouraging to know that God WILL raise up churches with believers to reach out in times of need. Please keep Pastor Przemysław the church in prayer and if you would like to learn more or perhaps give to their work, visit (<http://kchk.pl/>).

This last week, I joined another team of missionaries to reach out to Tennessee State University. In 1998, I joined a team of ministers to help the college outreach get started. Thankfully, it is still going strong 23 years later with powerful testimonies of God still at work in hearts of students. As I walked around the campus meeting many new students, I thought back to the many young men and women who were impacted at TSU and continue to preach the gospel all over the world today. It's definitely true, "Change the Campus, Change the World!"

Joining other ministers to reach out to TSU this week!

Lastly, Mandy and I want to ask you to keep our son in prayer as he begins his NAVY BUD's training in Coronado, California. In February, David finished Navy bootcamp in Great Lakes, IL, and is diligently training to prepare himself for the next step beginning April 25, which will test him and many others to their limits.

We thank you for your partnership in the gospel because it is a constant reminder that together we are making an impact for Christ. We honor your sacrifice and generosity to launch us into new places to reach out with God's word.

Much love,

We are praying for you!
