

# REACH UP REACH OUT to BRAZIL

Dear Friends,

January 22, 2023

This March, I am co-leading a mission trip to Brazil with 12 high school students and 8 adults. I am so excited that my daughters are going to be part of the team! This will be their first mission trip outside the U.S. and it's a great opportunity for them to serve. Our plan is to visit Goias, Brazil and serve a local pastor named Marlon Brito. Also, there are several athletes in the group and this will allow for sports outreach to the community. You may remember that Uptime Outreach began on a mission trip to Brazil in 2010. Our goal was to preach the gospel while teaching English. After that initial trip, we returned many times, and the girls grew up hearing about God's great love for Brazil.

Hi, my name is Olivia and I am a senior in high school. For many years I have dreamed of going on a mission trip to share the word of God and to show His love to another nation. When I was a little girl, I remember my parents telling me about their mission trips to Brazil and I was inspired to someday follow in their footsteps. I am so grateful for this opportunity and for the love you have poured into our family over the years.

I am so excited to go to Brazil with my Dad and sister. We have talked about going on a mission trip for a long time, but the timing has never been right. Now I can't wait to go to a place that I have heard about for years. I look forward to meeting the people of Brazil, playing with the kids, and serving how ever God leads me. Love Shelby

The cost of the trip is approximately \$5,500 for all three of us. As always, there is no pressure to give. However, if God places this on your heart to partner with us financially, we would be so grateful. Let us know if you would like to hear more about our trip and we would love to hear how you are doing as well.

Much love from me & my girls!
