As February rolls along, and the cold, snowy days in Rochester continue, we can't help but thank God for his continued provision and faithfulness in our lives. When we find ourselves tired and grumpy from not seeing the sun for over 30 days straight or for temperatures not rising above freezing in over a month, we remind ourselves of how God has provided a warm home for us and exactly what we need to get through each day! We are also encouraged when we see all that God is doing in the lives of college students in Rochester! Throughout the course of this school year we have seen 10 students accept Christ! It has been a great joy to disciple these students in their new faith and to see the transformation that has happened in their lives. It is so refreshing and exciting to help a new Christ follower learn how to study the Bible and learn how to talk to God through prayer for the first time. Seeing these students with their new passion and love for Christ has been an inspiration to us to continue to grow in our own understanding and love for Him.

Prayer Requests & Praises:

- Praise God for our new brothers and sisters in Christ! Pray that they would grow in their new faith.
- Pray for our new student leaders as they join our current leadership teams.
- Pray for students at the U of R. They will be going to Panama City Beach, FL for Big Break March 5-12 Go to www.big-break.com for more information!

Our ministries at University of Rochester, Rochester Institute of Technology, and St. John Fisher College continue to focus on reaching students for Christ, helping them grow in their faith, and sending students all over the world to be lifelong laborers for Christ. As spring nears, this is always an exciting time of the year for us in ministry because we begin introducing new student leaders to our current leadership teams at each of the campuses. We love seeing God raise up new student leaders that are passionate about reaching their campus for Christ. Over the next several weeks we will begin introducing these new leaders and giving them opportunities to step up and serve on our leadership teams. But as new leaders come, it also means saying goodbye to some of our current leaders who will be graduating in a couple of months. This is always bittersweet for us because we have developed such close relationships with our students and we hate to see them leave, but we also know God has great plans in store for them as they begin their professional careers. We love serving alongside of our students, and we know God will use them in a big way to reach the world with the message of Christ.

Olivia wants to say HI!

It seems like yesterday that Olivia came into the world! Next month Olivia will celebrate her 1st birthday! She has been healthy and keeping us on our toes. Olivia is crawling and standing, but not yet walking. She enjoys "talking" and pointing, and she loves to bust a move to her favorite songs.
