Spring Formal 2011

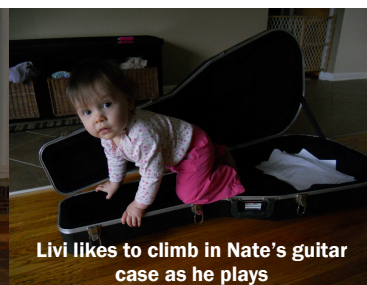

This past month we enjoyed a time of celebration with our students. Every year around this time the Rochester Campus Crusade staff team hosts our Spring Formal event for all the campuses in Rochester. It's a time for us to celebrate the end of another school year together as a city and to celebrate all of our graduating seniors. This year we honored 25 seniors that will be graduating in May. All of these seniors played a big role in our CRU (Campus Crusade for Christ) ministries, and they invested their lives in reaching their campuses for Christ. Each of them will be heading into different careers and locations throughout the world, and all of them will have an impact wherever they go. As we honored our seniors this past month it was a great reminder to us of why college ministry is so important. Every year the city of Rochester graduates approximately 14,000 seniors that will go out and influence the world. It's not a matter of IF students will influence the world, it is clear that they WILL have an impact. Whether good or bad they will have an impact. This is why we love and are firm believers in college ministry. Students come to college for a few years and in those years make decisions that set the course for their lives spiritually, academically, vocationally, and relationally. We love going to where students are: dorms, student centers, the gym, library, and coffee shops to engage with them in conversations about the gospel. This past month has been a great reminder for why we love college ministry, as well as a time to celebrate our 25 seniors that will be entering this new chapter in their lives.

Summer Assignment—Colorado State University

This year we will be spending our summer in Fort Collins, Colorado! Instead of leading a summer project we will be taking four graduate level Bible courses at Campus Crusade for Christ's Institute of Biblical Studies. Although we will miss leading a team of students on a missions trip we are looking forward to taking these courses and growing in our knowledge of who God is. After our courses we'll be staying in Fort Collins for our US Staff Conference that Campus Crusade has every 2 years. We're looking forward to hearing from Francis Chan who will be one of the keynote speakers, and we anticipate a summer of personal growth and learning!
