STRiDe—Servant Team Retreat for Destino

The harvest is plentiful but the laborers are few. Jesus' words...not mine! STRiDe is one of the ways we seek to send laborers into the harvest.

At STRiDe, our student leaders come together for a time of ministry training where they are equipped to engage their friends and classmates in spiritual conversations. We train them on how to share a simple message of the Gospel. And most importantly, we spend time as leaders looking to Jesus and connecting with Him. We want to send students that love God and who don't just work for Him! Listen to Bianca's experience:

STRiDE made me "look back at the past and see why I came to God in the first place and why I came to love God so much. And it made me want to do more for Him and to lead for Him. It taught me how I could do that and it showed me that there is way more to life than all these other things that I think will fill me up but it just doesn't. Coming to STRiDe made me see that there's way more and there's like a family that's there and they're going to support you. And Destino does that for me. And now I just want to live for God."

Thanks for being a part of helping students like Bianca grow in love for Jesus and be sent as a kingdom laborer into the harvest!

Top to Bottom: 1) Praise and Worship together. 2) A panel talking about how to impact those around us. 3) Showing the "guns." (haha!) 4) Figuring out how to implement what we learned back on campus.

For Prayer:

- For the upcoming Destino Break Spring Break Mission Trip.
- For DeAnn and the baby. For health for both. Coming soon!
