Destino Winter Conference

Theme—Restoration:

1. the action of returning something to a former owner, place, or condition.

—He restores my soul.

He leads me in paths of righteousness for his name's sake.

Psalm 23:3

The man I was created to be....

Trae skipped the session to spend time in the prayer room. He walked in with about 10 minutes left as the speaker was wrapping up with a challenge to trust the Lord to transform you into the person He created you to be. Afterward Trae walked up to me and said, this was exactly what I was praying. I want to be the man God created me to be.

The next day saw Trae publicly make a commitment to living a surrendered life. Then three days after the conference saw Trae contemplating a changed major so that he could care for people and serve the Lord more effectively.

Thanks for being involved in helping students see their lives in the light of God's plan. Our desire is to see more students live their lives on mission, choosing professions not by default but because they have heard and responded to God's call.

Thanks for praying for the conference. God did work in students lives. He worked in our lives. It was very powerful.

For Prayer:

- Please continue to pray for DeAnn and the little boy she is carrying inside her. Two months left!
- Pray that students would take steps to put into practice what they learned at Winter Conference.
- This semester our focus is on discipleship and training our students how to have Gospel conversations with those already in their lives. Pray for much fruit this semester.
- A very practical request: We have a new room for our weekly meeting at UTSA. It is big. Pray that we'd fill it with those seeking Jesus!
