The biggest (and littlest) news in our lives recently!

Introducing Ransom John Gerard. What a crazy past month it has been. A lot has gone on in ministry but Ransom joining our family is definitely our biggest news. We are now one month into life as a family of five. Some words to describe our recent experiences: crazy - chaos - cuddling - cooing - eating - sometimes sleeping - crying - cuteness - midnight pacing - diapers - soft baby sounds - loud baby sounds - friends stopping by with meals - love.

A newborn baby brings along many challenges, but many, many more precious moments. We feel incredibly blessed by God that both Ransom and DeAnn are healthy and home. Here are some photos...because as a proud mom and dad, we just can't help it!

Thanks for praying for DeAnn, our family, and the new little one.
