TAing the apologetics course for Cru staff.

“Never let your ministry get in the way of devotion.”

-Dr. John Hannah

Sharpening the Saw

This summer DeAnn and I were able to participate in the Institute of Biblical studies. What great preparation to better reach this next generation for Jesus! DeAnn took one class and I was the TA for three classes. The apologetics course gave me so many tools to use. (I’ll send out an email with some of them.) And then working with Dr. John Hannah and hearing him teach on life and ministry as he walked through church history was such a blessing for continuing to follow Jesus in ministry. Dr. Hannah opened the class by singing a hymn and said, “Never let your ministry get in the way of devotion.” That quote is worth remembering. God wants our hearts first—and then our hands.

Students on Mission

Students this summer are growing and going!

Left: A group of students including San Antonio students on a summer mission outreach in Denver.

Middle: Two SA girls in NYC on mission for a week.

Right top: Two alumni led a couple summer Bible studies for students staying in San Antonio.

Right Bottom: Destino at Palo Alto College going strong in the summer.
