## *How does 40 hours in a car sound? Fun!*

Ok—so it doesn't actually sound like fun but you definitely get to know the people in your car. *(In the photo you can see Eric, Gladys, Ronnie, Larry, Ivan and Paulina. And I was stopped when I took this!)* And if you are driving to the Destino Winter Conference even better. This past month we took 30 students to Orlando and here are some of the things they said about the experience:

“I need to listen to God more and follow the path that He wants to follow...I have the chance to think about summer missions... I want to continue to listen to God and continue to read His Word.”

- Logan

“I realized that I haven't given my whole life to Christ. I have given pieces of my life, I have held on to things that I haven't trusted Him with. -Kayla

“Last night they played a song, ‘Jesus be the center.’ My actions haven't followed that. For me this means restarting in a lot of different areas. Surrender has always been a hard thing for me. I feel like He has called me to trust Him more than ever.” -Evan

It was an incredible conference. Thanks for praying and making it possible for these students to experience God in this way . They are taking some amazing steps of faith!

One prayer request: Right you'll see the most recent leaders time we had at our house. These students are taking more leadership and I want to ask for your prayers for them—that they would continue to love Jesus and their fellow students well. Thanks!
