

Ed & Kim Gossien - Awana Missionaries

Thank you so much for partnering with us in ministry. These are a few snapshots of the last few months activities. Commander Colleges have been very fruitful. I wish you could be there to hear the closing testimony time. Please pray for us and the ministry. We are in the midst of planning next year's Awana calendar. Pray that we will receive confirmations from our event locations soon. Also pray for our Awana Ministry Conference preparations. We are doing a nationwide simulcast conference this year celebrating the 60th anniversary of the Awana ministry. Thanks again for your prayers and your investment in Awana in the Northwest Region.

Because of Calvary,

Ed & Kim Gossien
