TRAINING, TRAINING, TRAINING...WEDDING!

God often provides beyond anything we could ask or think. This fall has been one of those times. With incredible help from our Ministry Team, we've had the privilege of training over 1,000 people this season. Some of those will be starting Awana for the very first time, while others are learning how to improve their existing Awana club. We have already seen fruit from the training meetings as we've done follow-up visits to the churches.

Please pray for these newly trained leaders that God will provide all their needs as they apply their new skills.

At the end of the training season, on October 24th, our son Matthew was married to Joy, the love of his life. Their ceremony was one of celebration of their love for one another and for the Lord. We are so happy that God has brought Matt & Joy together. They will be living in Salem.

We thank God for your faithful support of the Awana ministry in Western Oregon. We couldn't continue without it. Please pray for us as we travel caring for ministry needs.

Deputation

Please pray for us as we build our team of ministry partners over the next few months.

It is our responsibility and privilege to partner with God's people financially and in prayer support of the Awana ministry. Over the next several months we will be in a season of deputation. We will be sharing our ministry with potential ministry partners wherever God provides opportunity. Please pray for us as we discover new ministry partners that God has already prepared for us. We are confident in God's provision for us and for our ministry.
