

Merry Christmas 2019 Blessed 2020

Oh Come Let Us Adore Him

Dear Friends,

Thriving Tribal Churches are happening in remote areas of the world. One day we will worship together before our Savior, Jesus, the Lamb of God sent to us on Christmas Day. Now tribal peoples all over the world are joining in the worship. Together, we are reaching the world with 'Good Tidings of Great Joy'.

Out of 6900 languages in the world, only 8% have the entire Bible in their language and only 28% have the New Testament. This means 63% of the world's language groups still need God's Word. No one should be without God's Word.

Your support of Katy and I is seeing tribal people reached, grounded in Biblical truth and become part of a living thriving church.

Thanks for being a part of our team.
