THANK YOU

Dear Friends,

You have journeyed with us into some amazing areas around the world, but I have to say my recent trip to remote areas of India and Nepal may have been the most awesome of all. Maybe “awesome” is not the right word. Perhaps ‘challenged’ or ‘inspired’ is a better fit. I found myself wishing I were many years younger as New Tribes Mission considers outreach into these areas.

I could not believe what I was seeing. In some areas it was like walking 100 years back in time. So many people! The stats with the number of unreached people groups is staggering. How can we reach all these people? That is the challenge New Tribes Mission faces as we develop strategies to partner with churches in South Asia.

Macon, Next Stop: Africa. Early next year I hope to travel to Tanzania, Mozambique and other locations in Africa. God is already there. Our task is to show you how He is raising up His Church in that part of the world and how you can be a part.

Katy, Next Stop: Peru. You will soon be receiving news from Katy and her opportunity to minister to national tribal missionary families in Peru, January 2016.

Katy and I thank you for being a part of our lives and ministry. Your prayers keep us going; your financial help is really needed.

Macon and Katy

Together, we have the best job in the world! (*I think you know that.*)

UNREACHED PEOPLE ARE REAL PEOPLE
