MISSIONS IS IN OUR DNA

Macon's trip to West Africa in May was a highlight. He is so challenged by the dedicated missionary families he met there.

June 1, Macon passed the directorship of NTM Communications to a capable team member. He continues working fulltime while serving on the leadership team.

Unreached people are Real People

Thank you for your prayers, your financial gifts and mostly for your trust.

You have trusted Him to use us for His glory. You could pray and give to all manner of people and missions, and yet here you are, still praying, still giving, and still encouraging. May He encourage you as you do us!

As Katy and I continue at NTM Communications, we value your prayer for wisdom and stamina to continue our vital role in missions. Please pray concerning our support base. We are in need of more people to stand with us, financially. Email us at macon_hare@ntm.org or call Macon: 321-363-2089 - Let's talk missions!
