THANK YOU

January 2017

Dear Friends,

Thank you so much for giving to our ministry. You are an answer to prayer. God is using your gifts to multiply blessing to tribal peoples all over the world who would not have a chance to hear the Gospel in their language.

Did you know that NTM is celebrating 75 years of ministry in 2017? This year you will see some great articles in NTM@Work both from our past and for our hopes for the future of reaching more tribal peoples. You are part of planting tribal churches that are grounded in the foundational truths of God's Word, who are sharing within their communities and reaching out to neighboring communities.

Prayer Requests: Macon and Katy to continue to heal from recent joint replacement surgeries; for health and stamina; Pray for a safe and efficient move to new offices in downtown Sanford, FL at the end of this month. Pray for Daughter, **Jessica Westerman**, expecting our first grandson mid May 2017, for health for her and the baby. Recently we learned that baby boy Westerman may have a heart defect, which would require heart surgery when he is 3-5 months. We ask that you pray for his health, healing and a successful surgery.

Katy and I thank you for being a part of our lives and ministry. Your prayers keep us going; your financial help is so appreciated.

Together, we have the best job in the world!
