Celebrating 50 Years

FAMILY

We are anticipating the birth of another grandchild in June 2018! Allyn and Jessica Westerman are expecting another baby. Connie is 12 and Allystair will be 1 year when the new baby arrives. Allystair is doing great after his two open-heart surgeries and growing strong. However, he will need additional surgeries as he grows to repair his pulmonary valve. Pray for the Westerman family, for a healthy new baby, for financial needs with their growing family, a better job for Allyn and safe future surgeries for Allystair.

Son, Jeremy to flies for United Airlines out of Guam but he is hoping to move soon back to the USA mainland where he can be closer to his girls.

Natania, 14 and Thalia, 10, live in Miami with their Mom, during the school year.

Daughter, Aleyda visited Florida over Thanksgiving and we are looking forward to seeing her again over Spring Break. Pray she can find a small house with fenced property within her budget and close to the high school where she teaches.

Colombia

Dear Friends,

We have an opportunity to travel back to Colombia in September 2018 with our Pastor John Parker of Summit Church, Orlando FL. We hope to travel to areas where we ministered as well as visit tribal works to see first hand what God is doing in Colombia today. Pray with us for safe travel, good health and funds needed to make this next trip.
