

Dear Friends,

Macon is set to leave on Saturday, October 22 and return on November 3, 2017. Praise God that all his trip expenses are paid. Thanks for sending him on this journey to India.

Pray for wisdom, safety and discernment for Macon, our pastor, John Parker and the Ethnos360 leadership team traveling with him. This is an incredible opportunity to see firsthand what it will take to reach the many ethnic people groups in India's complex religious environment. Your prayers will have an eternal impact for these unreached, marginalized people groups.

On November 4, Macon and I travel to Barcelona Spain, where we will be attending the NTM European leadership conference. Pray all goes well for our connections, and for an effective conference with our European partners.

Thank you,
Macon and Katy Hare
