Dear Friends,

Thank you for your recent gift for Macon's India Trip. He is all set to leave on October 22 and return on November 3, 2017. Praise God with us that all Macon's trip expenses are paid through gifts like yours. Thanks for sending him on this journey.

Pray for wisdom, safety and discernment for Macon, our pastor, John Parker and the NTM leadership team traveling with him. This is an incredible opportunity for them to see firsthand what it will take to reach the many ethnic people groups in India's complex religious environment. Your prayers will have an eternal impact for these unreached, marginalized people groups.

When Macon returns, on November 3, we only have one day to prepare for our trip to Barcelona Spain, where we will be attending the Ethnos360 European leadership conference. Pray all goes well for our connections, and for an effective conference with our European partners November 7-12, 2017.

Thank you,

Macon and Katy
