

Greetings from cold Michigan. Here is our latest newsletter. We've changed the format and delivery a bit. We hope this make it more enjoyable, informative, and interactive for you.

## A BIGGER STORY

# Part of the Whole

## What it means to be part of a bigger story.

The purpose of AIM (Africa Inland Mission) is to proclaim the glory of God and name of Jesus across Africa through establishing Christ-centered churches among all African peoples. To accomplish such a mission requires an army of people called to serve; each with his/her own role, yet all with the same end goal. It requires people to be called to plant the churches, and others called to train the pastors and others called to disciple the leaders, but it requires many others to support them. Pilots, nurses, doctors, teachers, mechanics, etc. And still more to provide financial and prayer support. Every one of these people are part of a bigger story. A story God is telling and has been telling from the beginning of time. A story of redemption for a lost people.

Starting in the month of December we are praying for God to bring in 30 partners, pledging 30 dollars a month, in 30 days. That's just a dollar a day. If we reach this first goal, that will bring us nearly 1/3 of the way to our overall goal of 100% support before July 2013. In doing so, those 30 partners will join us as we seek to faithfully serve Him in the ministry of Rift Valley Academy, investing in the lives of missionary children. If you are already a ministry partner with us or you are unable to give at this time we ask that you pray with us for God to provide the right people to come along side. If you are able to give or are considering supporting missions please pray carefully about this opportunity. Any amount you may be able contribute will help us reach our goal of being fully supported before we return to the mission field. We are excited for you to join us.
