

MAKING DISCIPLES AS JESUS DID

SONLIFE'S EXECUTIVE LEADERSHIP TEAM GATHERED IN TORONTO FOR A TIME OF STRATEGIC PLANNING... AND SOME FUN!

A Global Impact... In Our Own Backyard!

I was invited to speak and train at the annual Vietnamese District Conference for the Christian and Missionary Alliance Church. My parents both grew up in the CMA, and Sonlife has a long history with the CMA, so it was exciting to partner together with their Vietnamese District. The conference was held just 15 minutes where I grew up in Southern California, an area that now has 750,000 Vietnamese, over 50% of the population. In fact, the church our family attended nearby is now Midway City Vietnamese Alliance Church... and their pastor hosted

one of my training sessions! The Vietnamese church throughout North America still uses Sonlife's training and is now excited to translate our new 4 Chair Discipling and Foundations Seminars into Vietnamese as well. They even send their pastors back to Vietnam on mission trips to train the pastors there in Sonlife's Disciple-Making material! They are excited to incorporate our student evangelism training, Lead The Cause (formerly called SEMP- Student's Equipped to Minister to Peers), throughout their District as well.

In Toronto, SEMP was renamed ReMix, and our Sonlife leadership team was thrilled to share in the ReMix experience with our Canadian Director, Calvin Russell, while we were in town for strategic planning meetings. Toronto is the most diverse city in the world, with over 50% of the population immigrating there... and ReMix was a reflection of that!

While in Toronto, our team connected with pastors who had immigrated there from the Caribbean... and are excited to help bring Sonlife training to the Islands!

Strategic Prayer

We are so grateful for your faithful prayers for our family and our ministry. Our disciple making efforts across the US and around the world would not be possible without God hearing and answering prayer.

As you continue to lift us up in your prayers, here are a few prayer needs.

OPEN DOOR HAITI

I travel to Haiti this weekend to meet with Pastor Wiljean for strategic planning on our bold vision for church planting over the next ten years... how we will continue to train and support these pastors as the work grows exponentially. We're looking for sister churches in the US who will adopt a church plant in Haiti... opendoorhaiti.org

SONLIFE TRAINING

Our Sonlife leadership team is writing two new training manuals this year. ReVerb will be equipping for students to Love God-Love People-Make Disciples. In addition to the Student Manual, which is already in rough draft form, we need to also create a Trainer's Guide. Our second training manual is on Leadership Multiplication, creating leaders who can multiply a movement of disciple-making globally.

STRATEGIC PARTNERSHIPS

I'm currently engaged in Sonlife partnership conversations with the Evangelical Covenant Church and the Vietnamese District of the Christian and Missionary Alliance Church, as well as a few mega-churches and other missions organizations that would help multiply Sonlife training across North America.

SON LIFE TEAM GROWTH

Our Sonlife Leadership Team is growing... we have several new regional staff in the support raising process, and several others prayerfully considering taking the step of faith to join us. It's exciting to see how God continues to grow our team!
