Here We Come!

Yes, by the time you receive this letter, we will have arrived in the US, looking forward to seeing many of you during the next six months while we are on home assignment. We are living in Monterey, CA, in a home owned by FBC Monterey (note our address above) where I was baptized while in college. We also have a car! Our current speaking schedule is listed on the left. Please contact us if you would like us to speak in your church, Sunday school class or small group.

We are richly blessed in our partnership with Pastor Kuba and Hokushin Calvary Church. Our last weekend there was a whirlwind of activity which began on Saturday by passing out tracts for a sister church in Koriyama and then introducing Kazumichi, a junior high student I baptized a few years ago, to my relative who is a Christian semi-pro baseball player with the Fukushima Red Hopes. On Sunday I preached and Eriko provided accompaniment. There was a special luncheon for us after church which included a traditional folk dance, a praise number on guitar and prayer. After lunch and prior to our elders meeting, we interviewed a potential youth pastor. We are so thankful for your faithful support!
