"God is Love" - New Merices  
July 2020

BUILDING SPIRITUAL MOVEMENTS EVERYWHERE SO THAT EVERYONE KNOWS SOMEONE WHO TRULY FOLLOWS JESUS

“If these are the beauties afforded to sinful men, what does God have in store for those who love Him?”

- Augustine

There’s something majestic about sunsets that capture my attention and my heart. As I sit and wait, watching the colors change, the layers of mountains behind, listening to the sounds of water swishing back and forth, I’m overcome with awe at Creator God. He is the one who sets all these things to motion and yet, He knows me to very core. While watching the sun continue to lower and day become night, it’s a reminder that the day is ending and no matter what in the morning it will rise again and with that comes new mercies. There is something relieving and peace giving to know that as the day is done, He is not and it has nothing to do with me. There’s something restful about that. Here’s to a new week and reminding myself to be faithful with where He has me, resting on the full fact that He is control.
