BUILDING SPIRITUAL MOVEMENTS EVERYWHERE SO THAT EVERYONE KNOWS SOMEONE WHO TRULY FOLLOWS JESUS

Due to the nature of switching to high school ministry and working with minors, please do not share these stories/photos without my consent.

I had an amazing opportunity to spend a few days in Indianapolis filming for our Virtual Winter Conference. If you know me, you know that I am not an emcee by nature. So of course, when given this opportunity I was a little hesitant. Through much prayer and empathy knowing that leading a conference, virtual at that, is no easy feat, I decided to say yes in faith. Honestly, it allowed me to step into the things I am most passionate about: God, His Word, and His people. The honor it was to get to shepherd so many was only the beginning for so many of our movements around the country. There was a sweet invitation for all of us to live and love like Jesus. It matters. Thank you for your prayers and the ways you continue to support and encourage me. It gives me more fuel and encouragement more than you know!

October 2019 was the last time I was back on island... I'm thankful for the gift of travel after a long 2 1/2 years back to a place that I hold so dearly to my heart. Coming back was filled with a lot of emotions since it was pre-pandemic and post-diagnosis that I've seen many family and friends here on island. Just to be able to give hugs, see people, breathe in the Hawai'i air, grieve losses, celebrate milestones, and be with Jesus, I couldn't have asked for more perfect timing. I got to spend a couple days connecting with some of you and yet, there are still many I wish I could have seen... don't worry, I plan to be back before the end of the year! I also got to spend a few days in vacation mode which my soul needed. I had friends fly in to spend the week with and honestly, it was breath to my lungs. One of my favorite things to do is bring people here, to Spitting Caves, where so much of my deepest moments with the Lord took place over my 6 years living here. Being back was a sweet reminder of my season in Hawai'i and all that God has shown me and taught me. It was a gift of remembrance!

PRAYER REQUEST/NEED: I've had a few added appointments and an ER visit (everything is good but I had severe stomach pain) within the last couple months and with that, there have been some one time health expenses. Would you pray as I trust the Lord for 50 partners to give \$100 one time to help cover the additional expenses of these last few visits? Please know that there is ZERO expectation but if you feel led, I'd love to invite you in. Thank you in advance!! You can text Jamie Lam to 71326 or go to www.give.cru.org/0551103! Thank you for showing up always!
