"God is Love" - Be Still
April 2020

BUILDING SPIRITUAL MOVEMENTS EVERYWHERE SO THAT EVERYONE KNOWS SOMEONE WHO TRULY FOLLOWS JESUS

This past month I got to take part and host an event called Be Still. We had the privilege of hearing from Ney Bailey, Crawford Loritts, Mark Gauthier, Louie Giglio, and be led in worship by Rend Collective. When I had said yes to this, I wasn't aware of just how big this was going to be and how many people would tune in. I just knew that I wanted to say yes to an opportunity to serve and continue to lean into leading courageously even though this is so outside of my comfort zone. I also knew I wanted to be open to what God could and would do through something like especially in a time like this and to lead others in seeking the Lord desperately through prayer.

Despite running into technical issues the entire duration of the program, God STILL did what He was going to do. We launched into a 30 day prayer initiative through this event and that night, we saw **30,554 individual watch the event (16,457 on YouTube and 14,097 on Facebook) from 171 countries (unique geographic entities). Over 2,000 people signed up for the 30 day prayer chain!**

Thank you for praying for me. I am thankful to have been a part of something like this and I believe that God is using this time, in the midst of everything we are walking in, to bring Himself glory and to reveal more and more of who He is to us. I am praying for each of you by name and that no matter what you are walking in you would be able to take some time today to "be still and know that He is God." Psalm 46:10.

Please don't hesitate to reach out with specific prayer requests or if there is anything I can do to serve you in this time.

MINISTRY NEED

During this time I have been so blessed to continue working and engaging in ministry and life in new ways. I am continuing to coach and shepherd our staff (and myself) in finishing the year off well as well as begin thinking about potential new realities in the Fall. I am honestly feeling the virtual fatigue and am ready to finish the school year. With that and looking ahead, the continuation of needing to raise support is a reality, which was put on pause when everything hit. I know that times are tough for all and my main prayer and priority is that you all have what you need and if not, I do want to help. IF you are in a place to give or increase, I am trusting the Lord for \$5000 one time and an increase of \$1000 monthly for added expenses and to make up for lost ministry partners over the last year. Please feel free to reach out to me or go to www.give.cru.org if you feel led to give. May we all experience the grace and abundance of Jesus in this season. I am so thankful that we get to journey together!

Because of grace, Jamie
