

## From My Heart...

*It is because of Him that you are in Christ Jesus, who has become for us wisdom from God – that is our righteousness, holiness and redemption ...Let him who boasts boast in the Lord.*

*1 Corinthians 1:29-30*

Unsure of my footing I step out on a new journey; a journey that perhaps I have been on all along. From my earliest memories I have always wanted to proclaim the Lord's name to the ends of the Earth. Now at 22 I step out in faith into full time ministry through training and leading teams to reach the unreached people of the world.

Everyday of work thus far I have said that it should be illegal to love your job as much as I do. Everyday I have also questioned my qualifications and capabilities for the task ahead. However during my 4 months in India I learned success comes when I recognize my insufficiencies and rest in His almighty power.

On this new branch of ministry I am perched firmly on Gospel truth and the leadings of the Holy Spirit. I refuse to let Satan tell me I am not capable or that I am young and insufficient, not because of my knowledge and virtue but because of the wisdom, righteousness, holiness and redemption that flows from the cross.

Penetrating the Final Frontiers by Mobilizing the Next Generation  
Evangelism – Compassion – Discipleship - Prayer

Volume 1 , Issue 1 September, 2011

*The most exciting thing about this year's event was the record breaking number of newly-arriving International Students. Our leaders estimated student attendance at 350-400, in addition to several hundred workers and American university students. We had large numbers of students from China and India, in addition to students from Georgia, Kyrgyzstan, Jordan, Japan, Malaysia, Taiwan and Pakistan, most for the first time.*

*They were exposed to our many campus ministries and local churches that reach out to these bright International Students and will have the opportunity to share the love and hope of Jesus with them.*

*This December a team will be leaving for Mali, West Africa to "Flood the Desert" with the glory of Jesus among the Fulanke tribal people. This is a unique outreach and will be our largest mobilization project to date!*

*This outreach will be focused on training and developing our own STN leaders to lead pods (groups) of college students to spread out over the many tribal villages among the still classified unreached people group called the Fulanke*

*Our goal is simple – more trained missionaries, living in more villages, to quickly let those who have yet to hear the gospel have the opportunity to hear and be saved. This is truly a dry and thirsty people. Please join us in praying*

### The Deaf Will Hear!

*The deaf are classified as an "Unreached People Group" in West Africa. Not only is it a great cultural challenge to take the gospel to this area, but an even harder obstacle to communicate effectively the gospel to those who are deaf. Please pray for us as we begin a huge project of training a local church and their deaf ministry to adopt the deaf people of West Africa.*

*"Deafness is not a handicap. It is a gift from God to be used to reach others for Christ with that uniqueness that only you have." (Jerry Rankin to participants at the International Mission Board Conference of the Deaf, Aug '09)*

## Challenge

The Lord desires for every person to know Him and follow Him, but this is not the reality. There are 4.5 billion lost people on the planet and 6,508 people groups that have never had access to the gospel. Whole tribes long to meet with the authentic Creator God, but few believers risk the journey.

## School to the Nations Role

School to the Nations (STN) seeks to penetrate the final frontiers by mobilizing the next generation. Our goal is to reload the mission field through training, equipping, sending and going so that people from every nation, tribe and tongue may share in the power of Christ (Revelations 5:9)

## My Role

The gospel and the commission to spread His word have captivated me. My heart rejoices at the opportunity to serve the King here at School to the Nations. I will be leading our cross cultural department to develop authentic training and effective outreaches to the many various cultures of the world. I love to celebrate life and God's beautiful design within every unique culture. I eagerly await the Lord's movement through the nations!

My role at School to the Nations includes:

- ϕ Developing and overseeing all mission training programs
- ϕ Training, Mobilizing and leading overseas mission outreaches
- ϕ Planning and implementation of evangelical events for international students
- ϕ Intentional evangelism among International Students
- ϕ Building and discipling a mission minded intern team

*Now unto Him who is able to do exceeding and abundantly above all we ask or think, according to the power that works in us... Ephesians 3:20*
