Mission Conference in Quito

During the past year several ideas came together and as a result, HCJB is planning a mission conference in Quito for October. The

purpose of this conference is to encourage local Ecuadorian churches as they begin sending out their own missionaries to other countries.

HCJB is in a unique position to bring mission committees and pastors from lots of different denominations to work together. Though HCJB started the planning there are now representatives from different organizations on all the committees. Tammy is working on the logistics committee and Geoff is on the budget committee.

We hope that the conference will inspire excitement in Ecuadorian churches as they begin cross-cultural mission work, and we look forward to helping as this movement grows.

New HCJB Sign

In May, a new sign for HCJB 89.3FM was installed on our tower in Quito.
