It's  
a Boy!

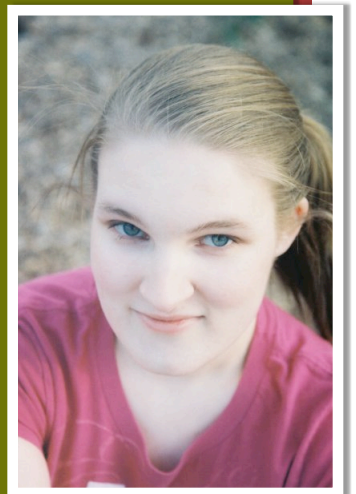

The newest Lamb family member was born Friday, March 24th His official name is be Peter Michael Lamb. He was a week late and born at 10:25am weighing 7.6 lbs. He is the smallest Lamb baby yet. Both Pete and Jenn are doing great with no complications. Baby Pete is very loved by his siblings, receiving lots of hugs and kisses. Now starts the fun part of figuring out life with a family of five.

## Facebook Evangelism

It probably isn't a shock to tell you students love Facebook. The average college student spends an average of 8 hours a week on Facebook. So we try to keep a buzz about what's going on with Buffalo Cru on Facebook and see what God does with it. One evening a sophomore girl named Alyssa was in her dorm room checking out Facebook. A friend of Alyssa's had posted that he was attending a Buffalo Cru weekly meeting. She clicked on the link he posted and Alyssa was taken to our website ([www.buffalocru.com](http://www.buffalocru.com)) where she filled out info that she wanted to know more about Buffalo CRU/ Christianity/ and How to Know God personally!

Jenn called her up to met her, assuming Alyssa was a Christian since she took the step to contact us. Well during that first meeting Jenn learned that she had no spiritual background. She didn't believe in anything but saw how faith in God gave fulfillment to people and she wanted that. They spent the next 2 hours going through the Gospel. Now Alyssa goes to just about everything and is very involved with us. Jenn just met with her last week and Alyssa told her that "Buffalo Cru feels like a family away from family". She even made her class schedule for next year so that she can come to Cru meetings. She is so close to making a decision to follow Christ. Please pray for Alyssa.
