Dear Friends,

May 2016

We are past due for a report. Thank you for your patience. We have been traveling for the last two months to the Northwest part of our great country. The Lord has not given us the liberty (nor the funds) to acquire a motorhome. This has not stalled us in our efforts to go through every door that He opens for us. We have driven over 6,000 miles since our last letter. We visited and ministered in 13 churches in Oregon and Washington during March and April. We have seen souls saved, churches encouraged and thousands of dollars raised for missionary purposes all along the way. We had no difficulties with our vehicle and no incidents on the road (we did have to buy new tires while we were out). We are thankful for the Lord's protection. In spite of being on the road, we were able to coordinate the resources necessary to give all of our GIBM Missionaries better exposure on the website. You may see them and their contact information at the link: www.gibmission.org/missionary. In addition, for those of you who are into social media, you can get a church by church account of our journeys at: www.facebook.com/GIBMissions. We only post information that is uplifting and informational. We appreciate those of you who do follow us and pray for our good success.

While preaching one Sunday, I perceived that a teen-age girl was affected by the message. She was blocked in her seat, and no one seemed to make an effort to allow her to move during the invitation. I told my wife about her. As soon as the service was over, my wife got the attention of the young lady and asked her if she was ready to be saved. She responded in a positive way and my wife took her aside and led her to Christ.

By God's grace and your prayers, we intend to continue helping churches, pastors, and missionaries, wherever and whenever we can. . . . *even so much the more as we see the day approaching.*

With all best wishes,

Robert Lewis, *Executive Assistant Director*
