March 2013

Dear Friends,

In February my wife and I flew to California to visit friends and supporting churches. I showed a DVD promoting the work of GIBMissions several times. I preached Bible Baptist Church, National City, Bible Baptist Church, Mira Mesa, Calvary Baptist Church, American Canyon, Bible Baptist Church, Delano, and Lighthouse Baptist Church, Moreno Valley. We also attended the GIBF Meeting at Bible Baptist Church, National City. Although many of our friends from the Mid-West and East Coast did not make the long journey to San Diego this time, this meeting was packed with great preaching. The church house was full each service. When we finished our business in California, we flew to San Jose, Costa Rica, to participate in a Bible Conference at Tres Rios. Larry Neff invited us. We had a pleasant stay in the home of GIBM missionaries, Bob and Joy Martin. I spoke three times to the dozens of national pastors that came. My wife was a speaker in one of the ladies meetings. We made several new friends and rejoiced to see some old ones as well. We were able to connect with GIBM missionaries Joshua and Erica Prince, who are attending language school in San Jose preparing to go to Uruguay as missionaries. March 3, we went to Tulsa to be involved in the missions conference at Tulsa Baptist Temple. I spoke there on Sunday morning and Sunday evening. The church promised \$161,000 to missions by faith for the next 52 weeks. From now until the first of June we will be very busy with several missions conferences. We are thankful for your support, God's blessing on our health, and the good results in the services. Traveling does wear on us and sometimes the expenses are overwhelming. We have promised to go through the doors that the Lord opens to us and we are thankful for the help he gives to us through the hands of His servants.

*With All Best Wishes, I am ~*
