Dear Friends,

The Lord has added a few more souls to the church here in Waxahachie. I spoke to our Mayor recently, and he said that the town cannot keep up with the housing needs for the multitude of families that are moving here from other states. The church is in a geographically good location, and the property is well maintained, I believe that in time, the church will once again bustle with believers rejoicing on their way navigating old paths. All the ingredients are available here for a thriving ministry. What we are praying for is that the Lord would breathe new life into the services like only He can do. We still do not have a man in mind for the long-term solution to the leadership of this ministry. Please make this matter of prayer. We love helping this church, and we have seen a multitude of blessings from the Lord as we work together with the church family. However, we do feel that the Lord would have us to prepare the church to work with a man that is capable and has the inclination to reach the unsaved in the upcoming generation. We are not yet aware of who that man is and need your prayers for wisdom in this matter.

In August, Judy and I spent three weeks in New England. During that time, we were able to visit several new church plants. In addition, we were able to attend and participate in the 43<sup>rd</sup> Anniversary Revival meeting at Blackstone Valley Baptist Church, Cumberland, RI.

October 16<sup>th</sup> I had my right knee replaced. The operation was a success, but the days following the operation have been filled with pain and physical limitations. I am faithfully participating in the prescribed rehab therapy, which is giving some improvement, but progress is slow. I am eager to get back to my normal routine. Words cannot express our appreciation for the faithfulness that you have shown in your support to us as we continue pursuing the perfect will of God for our lives. Whether we are helping hurting churches, preaching missions revivals, or lending a hand to the GIBM office, we are doing it better because of your prayers and support. Thank you.

**Psalm 34:1** I will bless the LORD at all times: his praise shall continually be in my mouth.
