Dear Friends,

As you know we have been interested in helping hurting churches. On March 17<sup>th</sup> Solon Road Baptist Church and Lighthouse Baptist Church merged. Lighthouse was praying for a larger place to meet and we were praying for laborers. Both churches were about the same size when they merged. When we came here in 2016 there were five people left after an unsavory trail of difficult circumstances. We took no salary for over two years. Without your support this would have been impossible. Since the merger the morning attendance on Sunday is right around fifty. There were forty in the pm Service last Sunday. I am sharing the pulpit with our co-Pastor James Worley. The church is doing very well. Last Sunday a man was restored in fellowship after two years of absence. Two young people were saved on Sunday Morning and there are five to baptize on Resurrection Sunday. We have missionaries come to visit with the church regularly and the missions offering is about \$492. per week. We have not used gimmicks and we are not attempting to be entertainers. Our prayers for laborers and for revival is being answered in a wonderful way. Your faithfulness to help and pray for us makes this your blessing as well. May the Lord bless you richly for your investment!
