April 2014

Dear Friends,

These past three months have been as busy as any three months in our ministry. We have traveled to many churches in several states and been involved in several missions conferences. In between the meetings on the road, we are continuing to help Faith Baptist Church in Winooski, Vermont. This project is going very well and the church attendance is picking up. The church just finished a missions conference with Pastor and Mrs. Kenneth Walters, from Southside Baptist Church, Rock Hill, South Carolina. The church had no faith promise income for missions. After the conference, they committed nearly \$500 per week to the missionary endeavor of the church. The Lord has opened up a property for this church to consider for relocation. It is a church facility worth over \$500,000 which they can acquire for \$250,000 if they act in a timely fashion. I am trying to lead the church to take a step of faith to purchase this property. The price is less than a single family house in Burlington. This property is 2.5 acres with a two family house, a church building, and a "Carriage House". The Carriage House has been used as a missions apartment and a fellowship hall. The property is located 1 mile from the University of Vermont in the heart of South Burlington. We are hoping that the Lord will guide us to help the church. It looks as if He is opening a tremendous facility for future soul winning and ministry of this church.

Our health continues to be good, and we are actively involved in soul winning, nursing home, street fishing, ladies ministries, and of course, pulpit ministry here. The church is glad to have us and has made it easy for us to continue with our travels. Your prayers and support continue to be a blessing to us as we forge ahead with the agenda that the Lord has designed for us.

With all best wishes,

Robert Lewis, *Executive Assistant Director*
