**January 2015**

Dear Friends,

This letter is a brief recap of our activities for the calendar year 2014.

By the grace of God we finished this tumultuous year with your faithful support. Many of you sent special offerings to help us with our down time during my hospitalization. You have been part of a team of "rope holders" for us. Thank you!

We finished our assignment at Faith Baptist Church, Winooski, Vermont, on July 1<sup>st</sup>.

September 16<sup>th</sup>, I received a new aortic valve on my heart. December 30<sup>th</sup> was my last day in cardio-therapy. I feel great. I have been able to keep over 100 lbs off for almost five years. In spite of the challenges we have had with my health, I have continued to preach across the country as the Lord opens the doors.

My wife has also been used in numerous women's ministry meetings. We nearly always travel together. She has also found time to publish an expanded version of her book *Given to Hospitality*. It is currently being used as a textbook for one of the Ladies Classes at Heartland BBC. This is a good chapter in our lives. It seems that the Lord grows more precious to us day by day.

We continue to labor with Pastor Chad Spence, at Landmark Baptist Church, Red oak, Texas between the conferences and revival meetings. He has been a real encouragement to us in that he is eager to learn from our experience in the ministry. At the same time he has made room for us to minister with him when we are not traveling.

*With all best wishes*

A handwritten signature in blue ink that reads "Robert Lewis". The signature is written in a cursive style.
