

Reminder

**Hello, Friends! This is just a reminder about our ministry change and where and how to make changes.**

August is the month we'd like to start transitioning our donations to the new ministry, **two:10** and cease your giving to Cru [unless you will not be partnering with us going into the future. Then, please give through September].

**two10.webconnex.com/donate** is the link to our new donation site. You can easily choose how you'd like to partner with us. *Please let us know if there are any issues.*

You will need to end your giving with Cru in two ways, and unfortunately we are not able to help. They require to hear directly from donors. First, you can call 888-CRUSADE and speak to Donation Services. Second, you can email: [donation.services@cru.org](mailto:donation.services@cru.org) and give them our account 0451260. **THANK YOU!**
